If you have make up classes from our
cartooning class in March 2020 please call
our office. We will happy to pro-rate you.

These classes are taught by professional
cartoonists and illustrators

Class fee includes all
art supplies, handouts,
comic books, student
folders, plastic
pages, color
copying and
lamination of
character
cards.

I LOVE to
DRAW
Cartoons!

This class is designed for the new or returning
student who is interested in designing
their own characters. Students work at an
independent pace to create characters
that will later be incorporated into their
own comic book!

This is a fun and exciting drawing class where students will start with warm ups concentrating
on composition and lay out, character introduction, color theory, speech balloons and lettering,
drawing expressions and basic drawing anatomy (especially how to draw hands).
